

Website Accessibility Statement

East Stour Primary School

East Stour Primary School is committed to ensuring that our website is accessible to as many people as possible. We want all visitors to be able to use our site and access information easily, regardless of their technology or ability.

This means you should be able to:

- Use normal systems to zoom in
- navigate most of the website using a keyboard
- navigate most of the website using speech recognition software
- listen to most of the website using a screen reader
- Change the text into a different language

For any other support you require accessing the website please contact the school office on 01233 630820 or email admin@east-stour.kent.sch.uk
