## Head Teacher News:

Dear Families and Friends,  
It is lovely to welcome you all back this term. This is my favourite term, as pupils are offered lots of opportunities to celebrate, be creative and share their skills and learning with all of you during our range of events.

We recognise that as we move towards the December break this can be a worrying and stressful time for some families. If you are anxious about affordability, family dynamics or feeling generally overwhelmed please pop into see one of our FLO team - they are amazing at signposting and supporting you all. I would also like to take this opportunity to celebrate the work of Calli and Penny as our school therapy dogs. They are both working hard every day to support pupils and staff. They provide emotional support, work with children at key times of the day when they may feel anxious or sad as well as participating in rewards for children through their class chart points. It is a real privilege to see how much of an impact they are able to have on improving attendance and creating an environment of calm, purposeful learning across the school. Well done!

Take care  
Mrs Law
