

French Horns and Flugel Horns

TOPIC

This term our school value is tolerance. We will be promoting the culture and peace of others well-being and diversity.

PSHE – In PSHE this term we are looking into how important sleep is for our health, what to do when we or others don't feel okay, how we can make changes through our choices, how to be safe when online or when using apps and identity and gender.

I.C.T – This term I.C.T will focus on Coding. We will be exploring how to code through the use of the 'code for life' programme.

RE – This term in RE we are focusing on Judaism. We will be talking about how important it is for Jewish people to do what God asks them to do and look at how religious people believe they live a better life.

History– In History this term we will be looking at the Romans. We will be exploring what Roman life was really like, why they invaded Britain and what influence they have had on the modern society.

Art – In Art this term we are keeping to the Roman theme by creating Roman Mosaics and Roman jars.

MANY THANKS FOR YOUR CONTINUING SUPPORT WITH HEARING YOUR CHILD READ AT HOME. **20 MINUTES A DAY** CAN HAVE SUCH A POSITIVE EFFECT ON YOUR CHILD'S PROGRESS.

Please remember to write a comment and include an adult initialled signature.

Homework will be on SPESAW on a

Welcome to Year 4 Term 3

LITERACY

In Literacy this term we will be reading the book "Escape from Pompeii". We will be looking closely at characters' feelings and overcoming fears.

Throughout Year 4 grammar and spelling are focussed on and this term we are looking at noun phrases, conjunctions, paragraphs and the use of direct speech.

We will be doing regular short writing to improve handwriting and word choices, daily spelling, as well as whole class guided reading and how to tackle reading comprehensions.

NUMERACY

This term we will be completing our work on multiplication and division. We will learn how to multiply numbers using written methods. We will begin to look at lengths and perimeter.

We will continue with our work on times tables and our new tables this year are 7, 9, 11 & 12. Please practise times tables as often as possible as really speedy recall is really important for all areas of maths.

French – In French we will be learning all about the weather. We will be engaging in interactive games as well as verbal and written activities.

Science – This term's topic is Materials. Children will learn how to compare and group materials according to whether they are solids, liquids or gases. We will also learn the difference between condensation and evaporation.

PE is mainly taught on Tuesdays and Fridays
Tuesday – full PE KIT (plain white t-shirt and blue/black shorts/leggings)
Friday - normal school uniform and trainers.
Please ensure ALL clothing is named.
