

# Tubas & Trombones

## Nativity

We are excited to have started rehearsals for our nativity production 'It's a Party'. We will be doing 3 performances for parents. Two during school time and one in the evening. Please complete the google form on whether your child is able to attend the evening performance. Any questions please speak to your child's class teacher. We can't wait!

## Parents Evening

Parents evenings are on the 8<sup>th</sup> (face to face) and 10<sup>th</sup> (virtual) November after school, you should have received the link to book your appointment. Any problems please speak to the office.

## Reading

The children will be bringing home a book every Friday that is linked to their Read Write Inc level. Please could you hear your child read this book at least 4 times (this will promote fluency) during the week and ask your child questions about the book to check their understanding of the what they have read. The reading book and yellow reading record then needs to be returned the following Friday. You can of course include books from your home bookshelf in the reading record.

## Homework

We will continue to send homework on Fridays. Homework will be a maths activity on Seesaw and spellings on Edshed. Spellings are also displayed on the classroom window.

## **Hello!**

Welcome to our newsletter for **Term 2**. We are looking forward to an exciting term 2! If you have any queries please make use of our class email: [tubas@east-stour.kent.sch.uk](mailto:tubas@east-stour.kent.sch.uk) or [trombones@east-stour.kent.sch.uk](mailto:trombones@east-stour.kent.sch.uk)

## English

The children will continue to follow the Read Write Inc programme for phonics or Literacy. The children on Literacy will be reading and exploring the book 'The Owl who is afraid of the dark'. This will include them writing their own fact file on owls.

## Coats and wellies

As the weather gets colder and more unpredictable please could you ensure that your child comes to school in a suitable coat and footwear and please name these. Wellies are needed as our playground gets muddy.

## Numeracy

This term we are going to be exploring our knowledge of addition and subtraction. We will be using lots of resources to support our learning with this.

## Science

This term we will be focusing on animals, plants and their habitats, what animals need to survive and what their habitat provides them with. We will be exploring our school site to see what plants and animals we can find.

## PE

We have PE on a Thursday. This term we will be looking at Gymnastics. The closer we get to nativity we will be focusing on our nativity practice which will include lots of singing and dancing!

## Geography

This term we are going to be doing geography and we are going to be exploring our school and maps. We are going to make a map of our school and explore the symbols that are used on a map.

**Please ensure your child has a named water bottle every day and that all clothing is named. Bottles should contain water only according to our school policy**
