## Hobbies and Interests

I have a great interest in all aspects of Needlework: tapestry, cross stitch, patchwork, knitting, crochet and making clothes I also love to read.

## Why did you become a governor?

I have always had an interest in Education and the trends that seem to go with Leadership in this area. I love being with the children and watching them learn through experience and I find it rewarding when I am able to help a child either through encouraging them to do something or have a positive experience. I run the Breakfast Club and manage the Midday Supervisors which gives me an excuse to be with the children otherwise it's all too easy to stay in my office working. In my daily work I think about the benefits to the children whether I am organising a project for outside play or trying to save money so that resources can be sourced. I think we can all make a difference to a child through our own ways and perhaps more so in the current trend of challenges children face.
